

Appendix F

National contacts related to overseas qualifications

Australian Education International, National Office of Overseas Skills Recognition

Australian Education International (AEI), through the National Office of Overseas Skills Recognition (AEI-NOOSR), provides official information and advice on the comparability of overseas qualifications with Australian qualifications, including higher education qualifications. This information can be found at the [NOOSR](#) website. For further assistance, contact the AEI-NOOSR Hotline on 1300 615 262 or email NOOSREnquiries@education.gov.au.

Australian Skills Recognition Information

Australian Skills Recognition Information (ASRI) located through the [Department of Immigration and Border Protection website](#) provides information on how to get an assessment of occupational qualifications, skills or experience gained overseas.
