# Change Control

<table>
<thead>
<tr>
<th>Version</th>
<th>Date</th>
<th>Summary of Changes</th>
</tr>
</thead>
</table>
| 7.0     | August 2016   | Following sections added or updated.  
  - Updated all URL links to log into I:AM to: www.deewr.gov.au/iam/logon/Login.aspx?                                                                                                                                         |
| 7.1     | May 2017      |  
  - Amending VET to include/replace VSL information  
  - Correcting spelling/grammar  
  - Updating hyperlinks  
  - Changing contact email addresses from tsenquiries@education.gov.au to www.education.gov.au/vet-fee-help-providers forms including information on contact forms for various types of enquiries specific to VET providers (new VSL and old VFH providers)  
  - Add contact email link for Higher Ed applications  
  - Noted that Estimate functions are no longer used                                                                                                                   |
| 7.2     | July 2017     |  
  - Update guide to include link for VET Student Loans approved Provider information: www.education.gov.au/information-vet-student-loans-approved-providers  
  - Update contents to provide a note to all VSL providers concerning application status and business processes                                                                                                             |
| 7.3     | October 2017  |  
  - Updated guide to include the section on viewing VSL approval status, approved courses, course and provider fee limits                                                                                                       |
| 8.0     | November 2017 | Published                                                                                                                                                                                                          |
| 8.1     | February 2018 |  
  - Higher Education Sector only  
  - Changing contact email addresses from HEenquiries@education.gov.au to Fee-Help@education.gov.au                                                                                                                                 |
| 8.2     | April 2018    |  
  - Incorporating update from IAMS to eSAM authentication                                                                                                                                                                   |
| 9.0     | July 2018     |  
  - Updated Reports, removed references to functionality no longer in use.                                                                                                                                              |
| 9.2     | Aug 2018      |  
  - Minor updates to remove references to outdated functionality and improve usability of information.                                                                                                                  |

Special Note to VET Student Loans (VSL) and VET FEE-HELP (VFH) Providers re HITS Approval Status

An upgrade to HITS occurred on 1 July 2017 to reflect VET Student Loans (VSL) approvals. The Provider ‘status’ in HITS will reflect the latest change in HITS for either VSL or VFH applications.

For example:

1. A provider that is VFH approved, and was VSL approved during the transitional period which concluded on 30/6/17, and is not currently approved for the full VSL, will now have a status of ‘Revoked’ in HITS. This ‘revoked’ status reflects the last change in HITS (i.e. the completion of the VSL approval on 30/6/17). The provider may still be VFH approved;
2. A provider that is VFH approved, and did not apply for VSL approval at all (i.e. was not approved for VSL for the transitional period), will still have the status of ‘Approved’;
3. A provider that was never involved in VFH, was not VSL approved during the transitional period, but has been approved for VSL from 1/7/17, will have the status of ‘Approved’.

In addition, the approval status in HITS may reflect a business change.

For example:

1. If a provider has requested revocation, the status will be adjusted to ‘Revoked’ with notes added reflecting the request;
2. If a provider has closed and is subject to a tuition assurance activation, the status will be adjusted to ‘Revoked’ with notes added reflecting the change.

If you have any queries on the above, please contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers.

Introduction

The HELP Information Technology System (HITS) is the IT application that organisations must use to lodge applications to become approved HELP providers. HITS also manages contact information and ongoing compliance with the VET Student Loans/VET FEE-HELP and FEE-HELP loan schemes.

Further information:

For further information on provider applications, refer to:

Provider queries should be directed to the department’s online enquiry forms at:

VET Student Loans providers: www.education.gov.au/information-vet-student-loans-approved-providers;

For further information, there is a VET Student Loans Manual for Providers on the website: https://docs.education.gov.au/node/43921.

For all Higher Education Providers, please direct any enquiries to Fee-Help@education.gov.au.

HITS is accessed via the department’s delegated identity management application Employment Security Access Management (eSAM). HITS and the ARF (AMEP reporting facility) use eSAM. Once you log in to eSAM, you will be able to access the HELP IT System (HITS) via the System for Higher Ed which is the Department of Education and Training’s portal for the HITS application. HITS is currently the only application that is active within the System for Higher Ed. HITS is used for VET Student Loans; VET FEE-HELP; and for FEE-HELP applications.
To gain access to HITS you must first register your user credentials in eSAM. eSAM is the IT application which manages all security for HITS including users, user roles, passwords etc. The logon ID and password that you register in eSAM will enable you to access both eSAM and HITS.

If you already have your user details, click on ‘Sign In’ at following link to access HITS: ecsn.gov.au/ESAM/Home/Index; or https://extranet.education.gov.au/FrontDoor.

**Using this guide**

This user guide and the revised information on the Education and Training [website](http://www.education.gov.au) is intended to assist both Higher Education (HE) and Vocational Education and Training (VET) providers with using HITS to manage their applications and ongoing compliance requirements under the *Higher Education Support Act 2003* (HESA) and the *VET Student Loans Act 2016* (VSL Act).

Click on the above link or type the link below into your web browser to access the Department’s website:

The user guide is set out in alphabetical order of the main components within HITS and eSAM to make it easier to find the information.

Each section is structured so that the instructions are outlined first and then an example is displayed to provide a visual representation of the instructions.

As an example:
Setting up an account in eSAM to access HITS

To access HITS, you first have to register in eSAM. You will need to contact the Provider Security Contact (PSC) officer within your organisation to initiate the registration process for you.

**If there are no current eSAM users or a PSC officer within your organisation**
You will need to contact the department to have the relevant access request and ICT security forms sent to you for completion. You can contact the department by completing the online form at the foot of the following page: [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers).

The completed access request and ICT security forms (see Attachments C and D) must be completed by you and returned to the department. After receiving and processing these forms, the Registration email and Confirmation Key (via SMS) will be sent to you. The access request form will nominate the PSC for your organisation.

**If there is an existing PSC officer within your organisation**
See PSC – Invite a user to register in eSAM section on page 28. The PSC officer can initiate the registration process for other users within their organisation. The PSC officer can contact the department via the online enquiry form under the Frequently Asked Questions section at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers).

**Setting up your account**
HITS and eSAM are only compatible with Internet Explorer 11. If you use Google Chrome for example, you will not be able to reset your password or update any field where a date is required such as the date of birth field. Google Chrome and Mozilla Firefox use an American date format i.e. MM/DD/YYYY which is incompatible with HITS.

1. Upon clicking the [here](http://www.education.gov.au/information-vet-student-loans-approved-providers) link in the email invitation, the user is directed to the eSAM site and the Sign-Up – Confirmation Key page is displayed:

```
**eSAM Invitation**

Hello,
You have been invited to register for an eSAM account.
Your Invite Reference number is [XXXX]. Click [here](http://www.education.gov.au/information-vet-student-loans-approved-providers) to register this invite.
To activate your account you will require a confirmation key which will be sent to you via SMS or provided to you by your manager.
It is strongly recommended that you refer to your manager prior to commencing your eSAM registration.
eSAM is an identity and access management application administered by the Department of Jobs and Small Business.
An eSAM account provides access to Australian Government ICT Systems for the purpose of administering Commonwealth Government programs.

Notice: The information contained in this email message may be confidential information, and may also be the subject of legal professional privileges. If you are not the intended recipient, any use, disclosure or copying of this email is unauthorised. If you received this email in error, please notify the eSAM Administrators via email: IT@education.gov.au and delete all copies of this transmission.
```

HELP IT Application User Guide V 9.2 – Final  Page 7
Note: the invitation reference on this page must match the invitation reference in the email invitation. If the reference does not match, you will not be able to complete the registration process.

2. Enter the Confirmation Key that you received via SMS into the Confirmation Key field and click the Confirm button.

If an incorrect confirmation key is entered, the user will receive a ‘Bad registration or confirmation code. Event ID: XXXXXX’ error message. An eSAM Invitation becomes invalid if a user makes five (5) incorrect Confirmation Key attempts. In this case, users will need to contact their PSC officers to arrange for another invitation to be sent.
3. You will be prompted to enter a Username, set and confirm a password. The user name and password that you register will be used to access both eSAM and HITS – you will therefore need to remember these details for subsequent logging in:

**Username:**

Enter a **Username** into the Username field – please note the following when creating your user name:

- The username must be unique, eSAM will return an error if you are trying to register a username that is already in use.
- You cannot use an email address as the @ symbol is not a valid character in this field.
- The total length of the Username must not exceed 113 characters.
- Can include the following characters: A – Z; a – z; 0 – 9; and - _ ! ^ ~

**Password**

Enter a password into **New Password** field and confirm your password in the **Confirm New Password** field.

Passwords must contain a minimum of 10 characters that include at least three of the following:

- Lowercase characters
- Uppercase characters
- Digits (0-9)
- @ # $ % ^ & * - _ + = [ ] { } | \ : ' , ? / ` ~ “ ” ; .

4. Register your email address in the **Email Address** field and click on the **Send Verification Code** button. You will be sent a verification code from msonlineservicesteam@microsoftonline.com to this address to continue with the registration process.

Please note that the email address entered does not need to be the same email address used for the invitation. However, the email address entered must be an email address that you have continued access to.

**Recommended tip: use your work email address.**

**Note:** Store your username and password securely, and do not share with others. Note the information on IT security in the documents you signed. Sharing passwords/accounts is a breach of the department’s ICT systems policy (See Attachment C of this User Guide – User Security Declaration). Organisations that access HITS are responsible for maintaining the integrity of HITS by not sharing user IDs and passwords with any other person.
5. Enter the Verification code and click the **Verify code** button:

Please note that the email address entered for the multi-factor authentication process cannot be updated in eSAM, even after the account has been successfully registered. To update multi-factor authentication details, the current account must be disabled and a new invite must be initiated to register a new account.

6. The Create button will be enabled if the correct code is entered. Click the **Create** button to continue:
7. You will then need to complete the multi factor authentication process by entering a phone number:

![Sign Up - Multi Factor Authentication](image)

Please note that the phone number entered for the multi-factor authentication process cannot be updated in eSAM, even after the account has been successfully registered. To update multi-factor authentication details, the current account must be disabled and a new invite must be initiated to register a new account.

8. Enter your phone number into the phone number field.

**Please Note:** The phone number entered is automatically used for the Multi Factor Authentication process for every subsequent eSAM Sign In. For this reason, the phone number entered must be a phone number that you have ongoing access to. It is recommended where possible that the phone number entered is your mobile phone number. If using a landline, it must be a direct number, not a switchboard number.

The following methods can be used for this multi factor authentication:

- **Send Code**  A text message, originating from an international number (either USA or UK), containing a six-digit code will be sent to the mobile phone entered. Click the **Send Code** button to receive the text message containing the code. You will have approximately three minutes from the time you click Send Code button, to enter the verification code and click **Verify Code** button.

  **Note:** this method is only available if you enter a mobile number.

- **Call Me**  If you select the **Call Me** button, a call will be placed to the phone number entered. The call will be from an international number (USA) asking you to verify the sign up process by pressing the ‘pound’ key (# hash). You will have approximately 15 seconds from the start of the call to press the # (hash) key. If you press the incorrect button you will need to restart the process. Once you have completed the call the multi factor authentication process will be complete, no code is required.
9. If you select the Send Code option, you will receive a verification code via SMS. Enter the verification code and click the **Verify Code** button to complete the multi factor authentication process:

![Multi Factor Authentication](image)

If you require a new verification code to be sent, click the **send a new code** link. This will invalidate the previous code.

10. Upon completion of the verification process, the User Security Declaration Acceptance page will be displayed:

![User Security Declaration](image)

I acknowledge that I have been provided access to Australian Government (hereafter referred to as ‘Government’) ICT Systems for the purpose of administering Commonwealth Government programs and have the following obligations:

- I will only access Government ICT Systems for which I have authorisation and for purposes which are relevant to my work.
- I am solely responsible for all action taken on Government ICT Systems under my UserID.
- I will maintain the integrity of access to these Systems including, but not limited to:
  a. not sharing my UserID, nor using another person’s UserID
  b. ensuring the safekeeping and confidentiality of my personal identification numbers (PIN) / passwords
- I will not illegally access Government ICT Systems, download or distribute inappropriate, undesirable or offensive material.
- I will not use Government ICT systems to violate copyright or infringe the intellectual property of software and the integrity of systems configurations and software.
- I will identify and avoid conflicts of interest. Where there is a perceived or actual conflict of interest I will notify my supervisor or manager and follow appropriate advice before accessing Government ICT Systems.

I understand that:
11. Please ensure you read the User Security Declaration, if you agree check the I Accept box and click the Submit button:

![User Security Declaration](image)

If you do not accept the User Security Declaration, click on the ‘I do not accept (Sign Out)’ button to cancel the registration process. You will be unable to access eSAM or HITS without accepting the terms of the User Security Declaration.

12. The eSAM registration is now complete and you access to HITS has been enabled.

Please note that you will be required to go through the multi-factor authentication process each time you sign into eSAM (not HITS) or if you need to reset/change your password.
eSAM - Sign-In and Authentication

Once you have completed the registration process and have an active eSAM account, you will be able to sign into the eSAM portal (ecsn.gov.au/ESAM/) to update your account details (see next section ‘eSAM – managing your details’). If you are a PSC user you can initiate invitations for new users within your organisation to register eSAM accounts in order to access HITS.

1. Go to eSAM at ecsn.gov.au/ESAM/ and click the Sign in button:

2. Enter your eSAM Username into the Username field and your Password into the Password field and click on the Sign In button.

Please note that your username is not recoverable and you will need to contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers.

3. You will now be prompted to complete Multi Factor Authentication. The page displays the last four digits of the registered phone number. You can elect to receive a verification code via SMS by clicking the Send Code button if you have registered a mobile number, or receive a phone call by clicking the Call Me button.
The Send Code option will only work if the registered phone number is a mobile phone number. If the registered phone number is not a mobile phone number, you must use the Call Me option.

**Multi factor authentication via Send Code**

- a) If you click the Send Code button, a text message, originating from an international number (either USA or UK), containing a verification code is sent to the mobile phone registered.
- b) Enter the verification code, the code is validated automatically upon entry (there is no submit or verify button).

**Multi factor authentication via Call Me**

- a) Click the Call Me button.
- b) A call will be placed to the registered phone number from an international phone number (USA). To continue press the # (hash) key. The call will automatically end once you have pressed the # key. If you press the incorrect key you will have to restart the process.

When multi factor authentication is completed successfully, the eSAM Home page is displayed.

If you no longer have access to the phone number that you registered, you will need to contact your PSC officer to have your current eSAM account disabled, and have a new eSAM account invitation sent to register a new user account. You must complete the Multi Factor Authentication during the registration of the new account so please ensure you enter a phone number that you have ongoing access to.
eSAM Home page

Upon successful sign in, the following eSAM Home page is displayed:

Users with the PSC role will have the following home page:
eSAM - Managing your details

eSAM allows you to view and amend your own personal details.

**Accessing My Details**

1. From the eSAM Home page, click the My Details menu option:

2. The My Details page is displayed, as below:

![My Details page screenshot]

From the My Details page you can:

- View and update your name and contact details.
- View your HITS Application Role.
- View your Administrator details (if applicable).
## Update my details

View and update your details as described in Table 1 – My Details - user details:

### Table 1 – My Details - user details

<table>
<thead>
<tr>

---

1. If the user no longer has access to the phone number used for eSAM Registration, they will need to contact their PSC officer to have their current eSAM account disabled, and have a new eSAM account invitation sent to them. Multi Factor Authentication during the registration of the new account would then need to be completed with a phone number that the user has ongoing access to.

2. The "User ID" field label is prefixed with the name of the application you access.

</tbody>
</table>

3 The Administrators fields are listed for each of your administrators.
Submit updated details

1. Once all required updates have been made on the My Details page, click the Submit button to save the details.

‘Who Am I’

The Who Am I page is accessible from any page within eSAM. It provides technical details relating to your eSAM user profile:

To view the Who Am I page, click the Who Am I link from any page within eSAM.

The details in the Who Am I page may be useful for troubleshooting with Help Desk. Help Desk staff may ask for screen shots from this page, to assist with problem resolution.
eSAM – Forgotten your password

Resetting your password

1. If you have forgotten your password, you can click the **Forgot Password?** link on the Welcome page.

2. The Reset Password page will be displayed:

3. Enter your Username into the **Username** field and the Email Address into the **Email Address** field. **Note:** The Username and Email Address must be the same as those used to register the eSAM account.

Your username is not recoverable and you will need to contact the department via the online enquiry form under the Frequently Asked Questions section at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers).

4. Click the **Send verification code** button. If the Username and Email Address are valid, an email containing a Verification code will be sent to you:
5. The Reset Password page will refresh to allow you to enter the verification code:

   Reset Password

   Username: sb2957
   Email Address: example@email.com
   Verification code: 

   The most recent code must be used in the verification process.

6. Enter the verification code received in the email into the Verification code field and click the Verify code button. You will only need to click the Send new code button if a new verification code is required.

7. When the Verification code has been validated, the page will refresh and the Continue button will be enabled:

   Reset Password

   Username: sb2957
   Email Address: example@email.com
   Verification code: 

   The most recent code must be used in the verification process.

8. Click the Continue button.

9. The Multi Factor Authentication page is displayed:

   Multi Factor Authentication

   Phone Number: XXX-XXX-0200

   The page displays the last four digits of the registered phone number. You can elect to receive a verification code via SMS by clicking the Send Code button, or receive a phone call by clicking the Call Me button. The Send Code option will only work if the registered phone number is a mobile phone number. If the registered phone number is not a mobile phone number, you must use the Call Me option.
**Multi factor authentication via Send Code**

a) If you click the Send Code button, a text message, originating from an international number (either USA or UK), containing a verification code is sent to the mobile phone registered.

b) Enter the verification code, the code is validated automatically upon entry (there is no submit or verify button).

**Multi factor authentication via Call Me**

a) Click the Call Me button.

b) A call will be placed to the registered phone number from an international phone number (USA). To continue press the # (hash) key. The call will automatically end once you have pressed the # key. If you press the incorrect key you will have to restart the process.

10. After verifying the call or entering in the SMS code, the user will be directed to the Reset Password page.

11. Enter a password into New Password field. Enter the same password into the Confirm New Password field.

12. If the passwords entered are valid and match, click on the Continue button to register the new password. The Sign-In page is then displayed.
**eSAM – HITS User roles**

eSAM is the authentication management system for HITS.

The following table details the user roles that can be assigned in eSAM for HITS users. It is important for PSC administrators to consider the role to be assigned to each user as HITS notifications are assigned to user roles – see Notifications for further details.

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>As per SAO with the addition of being able to submit an estimates to the Department.</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>As per PFO with the addition of being able to edit/view Key Personnel and submit application, request for further information and bank account to the Department.</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>As per PEO with the addition of being able to view/edit bank account, Estimates and payments.</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>As per PVO and can also edit modules.</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>Can view all modules in HITS except Payments and Key Personnel.</td>
</tr>
</tbody>
</table>

Note – only a HITS CEO or SAO user role can lodge an application in HITS.

**PSC – Administrators responsibilities**

The department has an IT user security arrangement whereby each organisation will manage their own staff’s access to HITS through two nominated Provider Security Contact Officer (PSC) administrators. PSC administrators will be responsible for managing all access to HITS including:

- Inviting new users within their organisation to register for eSAM in order to access HITS;
- Updating user roles; and
- Disabling, suspending and re-enabling access for users.

Organisations may have up to two PSC administrators at any one time and for newly approved providers, forms will be provided by the department after registering a new organisation in HITS. **Note:** Only the department can add or remove the PSC role for registered users.

**Senior User Roles**

The CEO and SAO security roles are senior user roles which enable higher level tasks in HITS to be undertaken, such as providing bank account details and declarations pertaining to provision of personal information. Only senior officers of the organisation, such as the Chief Executive Officer, who have the requisite authority to bind the organisation, must be assigned to these two security roles.

**New Applicants**

If you are a new provider applicant the **Department Information, Communications and Technology (ICT) Systems – User Security Declaration form** [Attachment C] and the **Initial Access Request Form** [Attachment D] will be sent to you by the department after you have registered your organisation in HITS. Completing these forms will nominate the Provider Security Contact officer/s for your organisation. The nominated officer will receive an email invitation and confirmation key via SMS to complete the eSAM registration process.

Completed IAR and USD forms for each PSC officer must be scanned and returned to the department. The nominated officer will receive an email invitation and confirmation key via SMS to commence the eSAM registration process.
Change in PSC officers

You may update your PSC officers at any time by completing a new IAR form with the details of the officer/s to have this administration role assigned to their eSAM user account. A signed User Security Declaration must also be completed for each new PSC officer.

Note: the user must have already have a registered account in eSAM before the PSC role can be assigned to it. If they do not have an eSAM account the current PSC officer must invite them to register, if there is no PSC officer within your organisation please notify the department to create the user account and initiate the registration process.

All users who are no longer employed with your organisation must have their accounts disabled. Users who are leaving your organisation must not share their passwords when they leave. Sharing passwords/accounts is a breach of the department’s ICT systems policy (See Attachment C of this User Guide – User Security Declaration). Organisations that access HITS are responsible for maintaining the integrity of HITS by not sharing user IDs and passwords with any other person.
PSC – Invite a user to register in eSAM

PSC officers will have the following eSAM home page.

Before inviting a new user, you may want to check if the user already exists (under Search People) or if there is an existing invitation (using the search function under Manage Invites) pending for the user to be invited.

1. Click Manage Invites button. A list of users with pending invitations (if any) will be displayed.
2. To invite new users, click the Invite new user button.

On the Invite New User screen:

1. Complete all the mandatory fields.
2. If the invitee does not have a mobile phone number, you can enter a landline but you will need to change “Send Confirmation Key To” dropdown to “My Email”.
3. Scroll down to the Role section and assign the desired role for the user being invited.
4. Click Confirm.
Locating the Confirmation Key
The Invited user, after clicking Confirm will be added to the Invited user list below with their Confirmation Key (1). If a user did not receive their key or the user did not provide a mobile phone number, you can email their Confirmation Key to them.

You can also perform management actions available in the Action column (2) to the right of the list that include resenting the invitation or creating a new Confirmation Key. You can delete an invitation if it is not going to be registered or an error was made when creating the invitation.

Managing a user account
From the main menu, the “Search People” menu option will allow you to see the list of registered users within your organisation and have the option to manage user accounts.

Notes
1. You can search for a user by any of the following:
   a. Given name
   b. Surname
   c. Email address
2. eSAM log in information is the same as what is used to log into HITS.
3. Sharing your password is a breach of ICT systems policy as you are responsible for maintaining the integrity of HITS by not sharing your user ID and password with any other person.
PSC – User – Update details

You may update the following details about a user:

- First Name
- Last Name
- Email Address
- Primary Phone Number
- Secondary Phone Number
- Access role

1. **Log into eSAM** using your user name and password, this will display the eSAM Home screen.
2. **Click on Search People**

   ![Search People](image)

   - **Manage Invites**: Invite new users/manage invitations.
   - **Search People**: Search for users to view/manage.
   - **My Details**: View or edit your personal details.
   - **Settings**: Change eSAM user interface settings.
   - **Sign out**: Log out of the eSAM site.

   Home > Conditions of Use > Privacy > Help > Accessibility > Who Are We

3. Search for the user using one of the following 3 options and click on the **Select** button.
   - First Name
   - Last Name
   - Email Address

   ![Search People](image)

   - **Search HITS Application Users**
     - **Search**: Enter the search term.
     - **Advanced Search**: Advanced search options.

   Showing 1 to 25 of 100 entries

4. When the User Details screen is displayed, click on the relevant fields to edit user information. Grey fields are not editable, but may be updated via other fields. When your changes are made click the submit button to finalise your changes.
Updating roles

The roles section of the eSAM user account holds all available role types. Make necessary changes and click the Submit button.
PSC – Disabling, suspending and re-enabling user accounts

Disabling user access

If a user has left their role or their organisation and no longer require access to HITS, their account should be disabled.

If the user is a PSC officer, you can notify the department via the online enquiry form at www.education.gov.au/information-vet-student-loans-approved-providers (for VET providers) or email Fee-Help@education.gov.au (for HE providers) to have this user account disabled.

To disable a user’s account:

1. Navigate to the Search People page and conduct a user search.
2. From the search results, click the Manage HITS User link in the Action column.
3. Scroll to the Application section of the Manage HITS User page.
4. To disable the user account, uncheck the Enabled for HITS tickbox.
5. Enter reason in the Enable/Disable Reason field. A reason is mandatory if the user’s status is changed.
6. Click Submit to save the changes.

Re-enabling user access

If a user has not logged into HITS within 40 days of the previous log in, the system will automatically disable a user’s access. The PSC officer within your organisation will need to re-enable a user’s access.

If the user is a PSC officer, they will need to contact the department via the online enquiry form under Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers for VET providers or Fee-Help@education.gov.au for HE providers, to have their access re-enabled.

If there has been no user activity for 90 days or more, the user’s access will be disabled at the core level and the reenabling of access must be done by the department and will take a minimum of a week to be re-enabled.

To re-enable a user’s account:

1. Obtain completed user security documentation.
2. Navigate to the Search People page and conduct a user search.
3. From the search results, click the Manage HITS User link in the Action column.
4. Scroll to the Application section of the Manage HITS User page.
5. To re-enable the user account, uncheck the Enabled for HITS tickbox.
6. Enter reason in the Enable/Disable Reason field. A reason is mandatory if the user’s status is changed.
7. Click Submit to save the changes.
Suspending user access

PSC officers will be able to suspend user accounts when a user goes on extended leave. By suspending the user account, this will exclude the account from the 40 and 90 day auto-disable processes. As required or upon the user’s return to work, the PSC officer can change the Suspended status back to Enabled to restore the user’s access. Alternatively, if the user does not return from leave, the PSC officer can change the status from Suspended to Disabled.

To apply the Suspended status:
1. Navigate to the Search People page and conduct a user search
2. From the search results, click the Manage HITS User link in the Action column
3. Scroll to the Application section of the Manage HITS User page.
4. Select Suspended from the HITS Status dropdown.
5. Enter a suspension reason in the Application Status Change Reason field. A reason is mandatory if the user’s status is changed.
6. Click Submit to save the changes.

A user can have their access suspended indefinitely. I.e. there is no limit to how long a user can have a Suspended status. However, a suspended user cannot logon to the HITS applications while their eSAM account is in Suspended status.

When an account is re-enabled after a period of suspension, the user will have seven (7) days to logon and refresh their last logon date before their account is auto-disabled.

This grace period also applies if a user’s status changes from:
- Disabled to Enabled (HITS Status – application level)
- Suspended to Enabled (HITS Status – application level)
- Disabled to Enabled (User Status – core identity level)
HITS – Logging in

The HITS URL has an embedded anti-phishing rule that times the URL out for 30 minutes after it is first used. The link must always be refreshed otherwise a user may experience an error or have to enter their password several times before they can log in.

Instructions

1. Type or copy the URL link below into your web browser.
   
   [URL Image Link]

   ![URL Image Link]

   It is recommended that you save this link as either a favourite or bookmark for ease of access.

2. Enter your eSAM Username and Password and click on Sign In.

   ![Sign In Image]

   a. A Sign out button in the top right-hand corner.
   
   b. The Bulletin section provides information relating to the System for Higher Ed and HITS availability.
   
   c. System for Higher Ed Programs section displays the HELP IT System logo used to sign into HITS.
5. To access HITS, select the HELP IT System logo and you will be navigated to the HITS Home page where the following information or links are displayed.
   a. In the top right hand corner:
      i. Your Logon ID – zz0000 (this can be different to your eSAM log in information)
      ii. HITS ID – this is your organisation’s HITS/HEP ID – 9999
      iii. Roles(s) – Displays your eSAM Organisation ID and your current role(s) – 700000, CEO; and
      iv. Notifications - displays the total number of notifications
   b. Under the HELP IT System banner, different options will be available based on your organisation’s status and by which user role you have. For example, the options below are:
      v. Organisation;
      vi. Compliance;
      vii. Application;
      viii. Payments;
      ix. Publications; and
      x. Reports.
   c. **My To Do List** – navigates you to the Notification Centre.
   d. **System Information** – links to User Guides and Quick Reference guides.
   e. **Program Information** – links to provider program information.

**Note:**

1. The modules displayed in the banner are dependent upon the status of your application and the user role that you have been assigned.

2. Notes: To check which version you are using in internet explorer, click on ☰ in the Tool bar, then ‘About Internet Explorer’. A window will then open advising you on which version you have installed.

3. A user’s HITS access will be disabled after 40 days of inactivity. To re-enable access, users need to contact their PSC officers or if the user is a PSC officer, they will need to contact the department.
4. If users are planning to be on leave for 40 or more days, they should notify their PSC officer to have their account suspended. This will prevent the automatic disabling of accounts due to the long period of inactivity. Note: PSC officers should contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers (VET providers) or FEE-HELP@education.gov.au (Higher Education providers).

5. When a user’s account has been re-enabled after a period of suspension, they have to login within seven days. If this is not actioned, the user’s account will no longer be excluded from the auto-disable process and the 40 day auto-disable rules will apply, using the existing last logon date.
Application – Application Status

Please see the section on page 5 - *Special Note to VET Student Loans (VSL) and VET FEE-HELP (VFH) Providers re HITS Approval Status* for additional information.

On the home screen of HITS – click the Application tab then click the Application summary for the sector you have applied for to see the current status of your application. The Application summary screen lists the mandatory components that must be completed before an application can be submitted. Mandatory components are as follows:

**Organisation**
- Organisation details
- Contact details
- Key Personnel details

**Courses**
- Course details

For new applicants, the Requirements will initially default to incomplete by displaying a ✗ against each component however for previous applicants who re-apply; only the Course details will default to incomplete. This is because HITS does not delete any information previously added from a previous application.

Supporting documentation may also need to be uploaded in HITS. To upload supporting documentation, either select **Navigate to Document list** link illustrated or select the **Document list** from the left navigation bar.
Application – Organisation already exists in HITS

Organisations that have previously applied but were not approved, or are approved in a sector and wish to make an application in the other sector, must log into their HITS record to make an application. If you are a VET Student Loans/VET FEE-HELP Provider and unsure whether you have an existing HITS record you can contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers. If you are a Higher Education Provider, please email Fee-Help@education.gov.au.

HITS will only permit a new application in a sector where no application exists or the current application has one of following application statuses:

- Discarded;
- Withdrawn; or
- Revoked.

You can check to see the current status of any application by selecting ‘Organisation – view Organisation Details’ on the navigation bar, then scrolling to the bottom of the screen and selecting the drop down arrow to display ‘Organisation Applications’.

In the example below, the current application has a status of ‘Withdrawn’ so the organisation can make another application in the Higher Education sector.

Instructions

1. To make an application, select Application, then Create Application and you will be navigated to the ‘Create Application’ screen.
2. Select the sector then add your TGA and/or TEQSA ID and click Submit.

A new application will be created with an application status of ‘Draft’. You will be able to confirm this by selecting the application via the Application – VET (or HE) Application summary screen.
Notes
1. HITS will automatically default to the sector of a new application where a current application exists in the other sector. In the example above, HITS has defaulted to the ‘Higher Education Sector’ as the organisation already has an application in the VET Sector.
2. If you are reapplying, any information you added to your previous application will be preserved. This includes contacts, persons of influence and all documents that you uploaded. You must check to confirm the information previously added is still current, or adjust as appropriate.
3. You will not be able to delete any documents submitted with a previous application however, the Department can delete them on your behalf where they are out of date.
4. For VET Student Loans/VET FEE-HELP providers, you must contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers to have documents removed. For all HE applications, please email Fee-Help@education.gov.au.
5. Please note, the VET Student Loans (VSL) program commenced on 1 January 2017, replacing the VET FEE-HELP scheme, which ceased on 31 December 2016. Information about the new program is available at www.education.gov.au/vet-student-loans.
7. The link for VSL Providers is available at: www.education.gov.au/information-vet-student-loans-approved-providers
8. Please see the section on page 5 - Special Note to VET Student Loans (VSL) and VET FEE-HELP (VFH) Providers re HITS Approval Status for additional information.

If in doubt, please contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers.
Application – Lodging an application

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Full access to lodge an application</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Full access to lodge an application</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>PFO No access to lodge an application</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO No access to lodge an application</td>
</tr>
<tr>
<td>Provider View Officer</td>
<td>PVO No access to lodge an application</td>
</tr>
</tbody>
</table>

You may only lodge an application that has all components showing as ‘Complete’ on the Application Summary screen. You must be a senior officer within your organisation and have a User role of SAO or CEO to be able to lodge an application. It is up to the organisation to ensure all components of its application are complete in accordance with the Application Guide before lodging the application.

Instructions

1. From the Navigation menu click on **Application**.
2. Click **Application summary**; the system will navigate you to the selected sector Application Summary screen. If all the Categories and sub categories displayed on the Application summary are checked with a tick, your application is able to be lodged.
3. Click on **Lodge application for assessment** at the bottom of the screen; the system will generate a confirmation message box with the option of ‘Yes’ or ‘No’.

4. Click **Yes** if you wish to submit your application. If you are not sure you have completed your application, click **NO** and you will be navigated back to the Application summary screen.
5. If you clicked **Yes**, HITS will display a confirmation message on the top of the same screen and the application status will change from Draft to Initial Completeness Check.
Notes

1. An application can only be lodged where the status of the application is in Draft.
2. You must ensure that you have uploaded all documents as requested in the application guide.
3. Each sector application will have its own Lodge application for assessment button.
4. A HITS notification message is generated – see Notifications section for details.
5. You will not be able to update your application including uploading documents once it has been submitted. The only exception is your Financial Performance which can be submitted at any time.
6. The CEO and SAO security roles are senior user roles which enable higher level tasks in HITS to be undertaken, such as submitting your organisation’s application, providing bank account details and declarations pertaining to provision of personal information. You should ensure that these user roles are assigned to senior officers of the organisation who have the requisite authority to bind the organisation.
Application – New applicants

New applicants are considered to be organisations that do not have an existing record in HITS. The reason for the separate process is that the initial registration of an application includes setting up a direct link with the organisation’s TGA and/or TEQSA record to enable the population of details in HITS. Please note that any details populated from TGA and/or TEQSA cannot be updated.

Please note that you do not need to have access to HITS to complete the registration process for new provider applicants. However, access to HITS is needed to submit or lodge an application.

Instructions

1. To apply to become a HELP provider, the first step is to register your new application details in HITS. You can do this by clicking on Register and Apply by typing the following URL into your web browser:

2. Select the sector (or sectors) and Click Next. Sector options are ‘Dual Sector’, ‘Higher Education Sector’ or ‘VET Sector’.

3. Enter your organisation’s Training.gov.au (TGA) and/or Tertiary Education Quality and Standards Agency (TEQSA) code and click Next.

   Note: If you do not know your Organisation’s TGA/TEQSA code, you can find your codes by searching on the National Registers:
   www.training.gov.au/Home/Tga for registered training organisations; and

4. Check and confirm that the TGA/TEQSA Registered entity name is the correct entity name of your organisation and click Next.

   Note: If your registered entity name is not the correct entity name, click Cancel and contact the department via the online enquiry form under the Frequently Asked Questions section at
   www.education.gov.au/information-vet-student-loans-approved-providers for VET providers or
   Fee-Help@education.gov.au for Higher Education providers.
5. Complete all required fields, identified as **Required** and click **Submit**.

6. Once you have completed the registration process the department will send you the relevant forms to initiate the registration process in eSAM to allow you to access HITS. The Department will also provide you with information on how to register additional users.
Notes

1. You will not be able to access HITS until you have completed the registration process in eSAM.
2. For VSL applications, you will be contacted by the department to set up two Provider Security Contact (PSC) officers for your organisation when your application has been approved. PSC officers will be responsible for managing all access to your HITS application within your organisation including creating new users, assigning user roles, managing existing users, resetting passwords. Please contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers.
3. For HE applications, you will be contacted by the department to set up two Provider Security Contact (PSC) officers for your organisation within a week of registering your application in HITS. PSC officers will be responsible for managing all access to your HITS application within your organisation including creating new users, assigning user roles, managing existing users, resetting passwords. Please contact the Department via Fee-Help@education.gov.au if you have not been contacted within a week of creating your new application in HITS.
4. If you have an existing record in HITS, the following error message will be displayed. You will need to follow the procedures in ‘Application – Organisation already exists in HITS’.
## Application – Return to draft

The Department reserves the right to return a submitted application to draft where it is incomplete. Where an application is returned to Draft, the Application summary screen may include comments on why the application was returned. You must address any issues raised in the comments before you resubmit your application.

### Application summary

Before lodging an application, please refer to the [Application Guide](#) to ensure all requirements are complete in accordance with the legislation and guidelines. Other requirements may include mandatory forms, financial information and student policies. Incomplete applications will not be accepted by the Department.

Please be advised that an application must be lodged in HITS before any assessment can be undertaken. Only a HITS CEO or SAO user role can lodge an application in HITS.

<table>
<thead>
<tr>
<th>Current status</th>
<th>Comments</th>
</tr>
</thead>
<tbody>
<tr>
<td>Draft</td>
<td>Your application has not been accepted as it is substantially incomplete and an assessment cannot be undertaken. The Department’s website at <a href="http://education.gov.au/applying-become-help-provider">http://education.gov.au/applying-become-help-provider</a> provides information on application requirements.</td>
</tr>
</tbody>
</table>
Application – Summary screen

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Full access to view Application summary</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Full access to view Application summary</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>PFO Full access to view Application summary</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO Full access to view Application summary</td>
</tr>
<tr>
<td>Provider View Officer</td>
<td>PVO Full access to view Application summary</td>
</tr>
</tbody>
</table>

If your organisation is applying to be a HELP provider, has an existing application or is an approved provider in HITS, you will be able to view the Application summary screen.

Instructions

1. From the Navigation menu click on Application.
2. Click ‘<<sector>>Application Summary’. The system will then navigate you to the selected sector ‘Application summary’ screen.

The Application summary screen has two parts, the ‘Current status’ and the Requirements for <<sector>> in which you have applied.

In the example below the current status of the application is Draft and the comments indicate that the application was returned to draft because the application was incomplete upon the initial submission.

The requirements for the VET application section indicates that all mandatory fields have been completed. It is important to note that where you re-apply HITS will reset all courses to ‘Details required’ however HITS will not remove any information that you previously uploaded or edited.
Notes

1. All the categories and sub categories in the Requirements section are hyperlinked to the screen that requires actioning.
2. The availability of the **Lodge application for assessment** button is dependent on the all items listed in the Requirements for VET applications being ticked as complete. You must also have a CEO or SAO user role.
Application – Withdrawing your application

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO</td>

<td>PFO</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO</td>
</tr>
<tr>
<td>Provider View Officer</td>
<td>PVO</td>
</tr>
</tbody>
</table>

Withdrawing your application

If your organisation has an application that has not yet been approved, you will be able to withdraw it.

You will only be able to withdraw your application in a sector where the application has one of the following application statuses:

- Draft
- Initial Completeness Check
- To be assessed
- Awaiting Further Information
- Recommended Decision

You can check to see the current status of your application by selecting Organisation – view Organisation Details on the navigation bar, then scrolling to the bottom of the screen and selecting the drop down arrow to display Organisation Applications.

Note: The Current status of the application must be set at ‘Yes’.

Instructions

1. From the Navigation menu, click on Application to view all available sub menu options.

   ![Navigation Menu]

   1. Click ‘<<sector>>Application summary’ - the system will navigate you to the selected sector Application Summary screen.
2. Click on **Withdraw** at the bottom of the screen; the system will generate a confirmation message box with an option of 'Yes' or 'No'.

3. Click **Yes** to complete the process of withdrawing your application.

4. If successful, the system will display a confirmation message and the application status will change to **Withdrawn**.
Bank account – Creating a bank account

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Can create, view and submit a Bank Account</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Can create, view and submit a Bank Account</td>
</tr>
<tr>
<td>Provider Financial Officer</td>
<td>PFO Can create, view and submit a Bank Account</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO Cannot view bank account module</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO Cannot view bank account module</td>
</tr>
</tbody>
</table>

Your organisation must have an approved bank account before you can receive any VET Student Loans/VET FEE-HELP payments. Please note that you are not required to create a bank account for any Higher Education sector payments, as FEE-HELP payments are made through a different system.

Instructions

1. Go to the Navigation menu and select **Payments** to display the sub menu items.
2. Select **Bank Account List**.
3. Click **Create Bank Account** and you will be navigated to the Create Bank Account screen.

**Bank Account list**

1. All fields on the screen which display the word ‘Required’ are mandatory and must be completed.
2. Once all the required information is completed, click **Submit**.
3. The Bank Account status will change to ‘Submitted’.

Notes

1. A bank account can only be submitted once the application is approved.
2. The bank account name field has a 32 character limit (this includes spaces). If your Bank Account name is greater than 32 characters you will only be able to record the first 32 characters/spaces.
3. The Department must approve a bank account before payments can be processed into that account.
4. A Provider can only have one approved bank account per sector at any one time.
5. A new bank account must be approved in order to replace an existing approved bank account.
6. A HITS notification message is generated when a new bank account is submitted by a provider – see Notifications section for details.
Compliance Notices – View and action

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO</td>
</tr>
<tr>

<td>PFO</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO</td>
</tr>
</tbody>
</table>

The Department may, from time to time, request an organisation to respond to a compliance notice. A notification in HITS together with an email will be sent to the following contacts when a Compliance Notice is issued:
- CEO/VC
- SAO
- Primary contact officer (for sector Compliance Notice is related to).

Instructions

1. Go to the Navigation menu and select Organisation – Compliance Notice Lists to display the Compliance Notice list.

2. The Compliance Notice list will display all notices issued to the provider with any ‘Issued’ notices listed first. Select the View details button to display the compliance Notice details page.

Compliance Notice list
3. The Compliance Notice details page provides the following information
   a. Organisation details
   b. Notice details
      i. Hyperlink to the Compliance Notice
      ii. Notice description (Department – optional)
      iii. Comments section (Provider – optional)
      iv. Confirmation text (mandatory)
      v. Upload document – link to the upload document function
         1. Providers should upload documents related to Notices in the ‘Compliance Requirements’ category

4. Once you have actioned the requirements within the Compliance Notice, you should add comments where appropriate, check the ‘Confirmation’ checkbox and select the Confirm button to submit your Compliance Notice back to the department.

5. You will be navigated back to the Compliance Notice list screen and a ‘Submitted Successfully’ message will display.
Contacts – Adding a contact

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Finance Officer</td>
<td>PFO</td>
</tr>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO</td>
</tr>
</tbody>
</table>

The contacts screen is where you provide information to the Department on all key contacts within your organisation for each sector you have an active application.

Only a person listed within the Contact List can request Commercial-In-Confidence or operational policy information from the Department.

For applicants, it is mandatory to have a minimum 5 contacts for a single sector application or 6 for a dual sector application. Minimum contacts are:

- CEO/VC
- Senior Authorised Officer
- Accountant
  - Internal and/or
  - External
- Auditor
  - Internal and/or
  - External
- Primary Contact Officer
  - VET and/or
  - HE

Instructions

1. From the Navigation menu click Organisation - Organisation details to view the Organisation Details screen.
2. Select the Contacts tab to navigate to the Contact list screen.
3. For new applicants, the Mandatory Contact summary details will display until such time as all the mandatory contacts have been created. Once they have been created, the Mandatory Contact summary details will disappear. Click the **Add contact** button.
4. Complete all required contact information fields and click the **Save** button.

**Add Contact details**

At a minimum, you must complete all fields marked 'Required'

5. When adding contacts for the first time, the Mandatory Contact Summary details will display above the contact list. The summary details will indicate which contact types have not been completed. Once all mandatory contacts have been completed, the Mandatory Contact summary details will stop displaying.

6. Once you select **Save** you will be navigated back to the Contact list screen.

7. Repeat above for all contacts.
Notes

1. The ‘Mandatory Contact summary’ screen will display until such time as all contacts have been created.
2. Where a mandatory contact changes, you must create a new contact for the contact type before you can delete the old contact details.
3. There is no limit on the number of contacts for the same contact type being created however notification emails will only be sent to the highest listed contact.
4. At least one contact phone/mobile number is required, either a telephone OR mobile phone number.
5. If your contact details are in another country, you must include the city in which you live.
6. Only a person listed within the Contact List can request Commercial-In-Confidence or operational policy information from the Department.
Contacts – Deleting a contact

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO</td>
<td>Full access to delete contacts</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO</td>
<td>Full access to delete contacts</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>PFO</td>
<td>Full access to delete contacts</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO</td>
<td>Full access to delete contacts</td>
</tr>
<tr>
<td>Provider View only</td>
<td>PVO</td>
<td>Can only view contacts</td>
</tr>
</tbody>
</table>

Contacts should be deleted from the contact list when they are no longer with the organisation or have moved to a different role.

Please note you must always have at least one of the mandatory contacts so you must create a new mandatory contact before you can delete an old mandatory contact person. Alternatively, you can update the existing contact details.

**Instructions**

1. Click on **Organisation** then click on **Organisation details** to view the Organisation Details screen.
2. Select the **Contacts** tab to display the Contact list screen.
3. Make sure that you have added the new contact details before you continue to delete the old contact details.
4. From the list of contacts, click the box for the contact that you wish to delete and then click on the **View details** button.

5. Click on the **Delete** button and then click the **yes** button on the pop-up notification.
6. If the contact is successfully deleted, there will be a green banner below the Contact list.

[Image: Contact list with a green banner indicating deletion success]

7. If you attempt to delete a mandatory contact when only one contact type is present, you will receive an error message.

[Image: Error message indicating that there is only one contact for this type and it cannot be deleted or updated]
Contacts – Updating a contact

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Full access to update contacts</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Full access to update contacts</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>PFO Full access to update contacts</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO Full access to update contacts</td>
</tr>
<tr>
<td>Provider View only</td>
<td>PVO Can only view contacts</td>
</tr>
</tbody>
</table>

You should update contact details where appropriate however it is important to consider the order in which contacts with the same contact type are listed. This is due to HITS notifications and email notifications as where there is more than one contact with the same contact type; notifications/emails will be sent to the first listed contact.

Instructions

1. Click on Organisaton then click on Organisation details to view the Organisation Details screen.
2. Select the Contacts tab to display the Contact list screen.
3. From the list of contacts, click on the Edit hyperlink for the record that you wish to update.
4. Update the relevant fields and click on the Save button.
5. You will be navigated back to the Contact list. Repeat this action if you need to update any further contacts.

Notes

1. Required fields are indicated with the word ‘required’ in red next to the field name.
2. At least one phone number, either a telephone OR mobile phone number is required.
Course – Viewing VSL approved fee limits, approved courses (start, end and teach out dates) and approved course fee limits

<td>PVO</td>
</tr>
</tbody>
</table>

**VSL Qualifying Courses**

Providers must only offer VET Student Loans for diploma level or above courses that have been agreed – i.e. the course must be on the [VET Student Loans (Courses and Loan Caps) Determination 2016](https://www.education.gov.au/information-vet-student-loans-approved-providers), and must be approved for VET Student Loans as a condition of your organisation’s approval.

Once approved, all courses a VSL provider has been granted approval to deliver will be visible in HITS – refer to Course – Viewing VSL approved fee limits, approved courses (start, end and teach out dates) and approved course fee limits. The listing should align with your organisation’s conditions of approval.

If you wish to offer an additional course under VET Student Loans to those outlined in your conditions of approval, you will need to apply to the Secretary’s delegate. More information on this process is available on the department’s website at [www.education.gov.au/information-vet-student-loans-approved-providers](https://www.education.gov.au/information-vet-student-loans-approved-providers).

Once your organisation has received formal approval from the department, you can view the overall fee limit for your organisation, the list of VSL approved courses for your organisation, and if applicable, the associated course fee limit/s.

**Instructions**

1. From the Navigation menu click on **Organisation** and from the Context selector, click on **VSL Course List and Fee Limits**.

2. The VSL Course List and Fee Limits are displayed as below. The top table displays the Provider Overall Fee Limit by financial years and the table directly below that displays the list of approved courses for the provider.
3. To view the approval period and fee limit for that course, select the course by ticking the box and click View details.

4. View of the VSL Course details.
Documents – Additional notes

Ad Hoc document upload
Use the Ad Hoc document upload when you are NOT uploading documents against a Milestone. Using this method automatically submits the document to the Department.

Document List upload
Use the Document List upload function when you are uploading documents that are related to a Milestone. Using this method allows you to remove any document or change any information.

Locked documents
A locked document is a document that has been submitted to the Department. Locked documents can only be removed by the Department.

Unlocked documents
An unlocked document is a document that has been uploaded into HITS but has yet to be submitted. It can be removed from HITS at any time. Documents uploaded using the Document List or via a milestone are unlocked until a milestone is submitted. A submitted milestone will lock all unlocked documents against the provider.

Unlocked documents cannot be replaced by another document, they should be removed instead.

New Applicants to HITS
New applicants who have not registered in HITS previously will have no documents in their document list and whenever they upload a document, it will remain unlocked until such time as they submit their application. An unlocked document is a document which can be removed by the applicant.

Applicants with a previous application who re-apply
If your current application is inactive, i.e. it is withdrawn and you reapply any documents that you uploaded previously will still appear in your document list. You should immediately review these documents and request the Department to remove any that are out of date.

For VET providers, contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers or for higher education providers, email Fee-Help@education.gov.au

Document Size
Maximum size for any document is 15 Megabytes (15 MB). If your document is close to this size, it is recommended that you split your document into two sections and upload separately.

User roles
HITS will permit all users to upload a document against any category/sub category however once uploaded, you may not be able to view the document if the category relates to a module in which you do not have access. For example, a PEO user may upload financial documents however as they do not have access to Financial information, they will not be able to view the document i.e. the URL link to the document will be disabled.
Documents – Archived

The Department will archive documents that are no longer current, i.e. they have been replaced by a more up-to-date version or a newer version of the document has been uploaded.

 Archived documents will not appear in your documents list however if you wish to view any archived document follow the instructions below.

Instructions

1. From the Navigation menu click on Organisation – View organisation details to navigate to the View Organisation details screen. Click on Document List to view the Document list screen.

2. Check the box against ‘Include Archived’ statement and select Filter.
3. Document list with Archived documents included. Archived documents have a code of ‘ARC’.

<tr>
<td>Provider Editing Officer</td>
<td>PEO</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO</td>
</tr>
</tbody>
</table>

Removing a document effectively deletes it from HITS and should only be used when the document was uploaded incorrectly.

You can remove any document that has not been submitted, i.e. there is no ‘Submitted Date’ (see example below).

To remove a document, follow the instructions below.

**Instructions**

1. From the Navigation menu click on Organisation to navigate to the View Organisation details screen. Click on Document List to view the Document list screen.
2. From the list of available documents, select the check box beside the document you want to remove and click on the View details button.

3. The document details will be displayed for you to review. If you want to remove this document, click on the Remove button.
4. You will be navigated back to the Document list screen and a confirmation message will display confirming that the document was successfully removed.

**Document list**

![Image of Document list screen]

**Notes**

1. A document can be removed if your application status is ‘Draft’ or you uploaded the document when your application was in a status of ‘Awaiting Further Information’. **Once the Application or an RFI is submitted the document cannot be removed by you, you must request the Department to remove it for you where the document is not required for assessment purposes.**

2. All documents uploaded but not submitted will be submitted with the milestone.

3. If you require a document to be removed and you do not have the functionality to remove it, please send a request via the online form at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers) for VET providers or [Fee-Help@education.gov.au](mailto:Fee-Help@education.gov.au) for Higher Education providers providing all the necessary information. The Department will remove the document for you.

4. HITS will allow all users to upload documents against any category/sub category however once uploaded, you may not be able to view the document if the category relates to a module in which you do not have access. For example, a PEO user may upload financial documents however as they do not have access to Financial information, they will not be able to view the document i.e. the URL link to the document will be disabled. Where this occurs, you must request a user with the appropriate user access to view the documents and ensure they are submitted.
Documents – Replacing a document

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Access to replace documents</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Access to replace documents</td>
</tr>
<tr>
<td>Provider Finance Officer</td>
<td>PFO Access to replace documents</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO Access to replace documents</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO Cannot replace documents</td>
</tr>
</tbody>
</table>

Over time, documents that have been previously submitted by your organisation and assessed by the Department may become out of date. HITS will allow you to replace any document that has been submitted.

Replacing a document does not remove (or delete) the replaced document instead it links one or more replaced documents with the current version.

Please note that this functionality is only available to approved providers.

Instructions

1. From the Navigation menu click on **Organisation** to navigate to the View Organisation details screen. Click on **Document List** to view the Document list screen.
2. From the list of available document, select the check box beside the document you wish to replace and click on the View details button.

3. The View Document details screen will be displayed for you to review. If you wish to replace a document, click on the Select button to upload your new document.

4. Choose the file to upload and click the Open button.
5. The filename will be displayed in the Replacement details section, click on the Replace button to confirm to save your replacement document in HITS.

6. Once you have replaced the document, you will receive a confirmation message. It is important to note that replacing a document does not change the Category or Sub category of the replaced document.
7. The replaced document name and link will be displayed under the Document details section.

8. If you need to replace another document, click on the Back to Document list link and repeat.

Notes

1. Maximum size for any document is 15 Megabytes (15 MB). If your document is close to this size, it is recommended that you split your document into two sections and upload separately.
2. A document can only be replaced when it has been submitted.
3. The new document is automatically submitted when uploaded.
**Documents – Uploading a document - Applicant**

<table>

![Help Text]

   **Help Text**: If you are replacing a previously uploaded document, please ensure you select Replace functionality on View Document screen.

3. The Upload Documents screen will be displayed. All ‘**required**’ fields must be completed.

   ![Upload Documents](image)
4. Select an appropriate Sector and Sub category for your document.
5. Choose the file to be uploaded by clicking on the Select button.
6. Once you have located the file, click on the Open button of the File Download popup window, the name will be displayed below the Select button.
7. If you need to upload more documents for the same category and sub category, repeat the above steps.

8. Review the documents that you have uploaded. You can remove any document that is not appropriate by selecting the Remove button appropriate for the document.
9. Once you are satisfied you have uploaded all the documents for that category, click on the Submit button. You will receive a ‘Saved Successfully’ confirmation message if documents have been uploaded successfully.
10. If you need to upload more documents to a different category or sub category, from the HITS Upload Document screen click on the Back to Document list link and repeat above instructions.
11. Your documents have been uploaded and will now appear in your document list.

Document list

Notes

1. Maximum size for any document is 15 Megabytes (15 MB). If your document is close to this size, it is recommended that you split your document into two sections and upload separately.

2. You must ensure document names are no more than 100 characters in length. If they are too long, you will get the following error message similar to “An application error occurred and has been logged. Please advise your administrator and provide them with this error code: ada3827c-fc25-446a-bc49-c7a20”.

3. All documents uploaded during the preparation of your application will be submitted to the Department at the same time that you submit your application.
Documents – Uploading a document – Approved Provider

<table>

<td>PVO</td>
</tr>
</tbody>
</table>

There are two ways in which documents can be uploaded into HITS.

**Document List**: Upload documents via the documents list when your documents relate to a milestone. Using the document list upload will not submit the document and should you decide a document is not relevant, you can remove it.

**Ad-Hoc documents**: Upload documents via the Ad-Hoc document upload when you are not uploading documents associated with a milestone. Documents uploaded via the Ad-Hoc upload will automatically be submitted to the Department.

**Instructions**

1. From the Navigation menu click on **Organisation** to view all available sub menu options. Click on **Document List** to view the Document list screen.
2. From the Upload Document section, select the relevant category for the document is to be uploaded to and click on Select button.

**From Document List**

![Document list screenshot]

**From Ad-Hoc Documents**

![Ad-Hoc documents screenshot]
3. The Upload Documents screen will be displayed. All ‘required’ fields must be completed before you can select the Submit button.

4. Select the Sector(s) and sub category.

5. Search for the file to be uploaded by clicking on the Select button.

6. Once you have located the file, click on the Open button of the File Download popup window, the name will be displayed below the Select button.

7. If you need to upload more files to a different category or sub category, from the HITS Upload Document screen click on the Back to Document list link and repeat.
8. Submitted documents will have the date the document was submitted in the ‘Submitted Date’ field.

Notes

1. Maximum size for any document is 15 Megabytes (15 MB). If your document is close to this size, it is recommended that you split your document into two sections and upload separately.

2. You must ensure document names are no more than 100 characters in length. If they are too long, you will get the following error message similar to the following:
   “An application error occurred and has been logged. Please advise your administrator and provide them with this error code: ada3827c-fc25-446a-bc49-c7a20”.

3. Once you have submitted your documents, you have met your milestone obligations.

4. The Ad-Hoc function is only enabled once an application has been approved. If your organisation has never registered in HITS previously and lodges a new application, you will only be able to upload documents via the Document List.

5. If you upload a document via the Document list and you are not subject to a milestone, you will need to remove the document and then upload it via the Ad-Hoc function. If you leave the document un-submitted, it will only be submitted when you are next submit a milestone.

Can create a Financial Performance

Not able to view this module

Instructions

From the Navigation menu select Organisation, View Organisation details from the Sub menu items to display the Organisation Details screen. Then click on the Financial Performance tab to display the Financial Performance list screen.

1. Click Create to navigate to the Create Financial Performance.

2. Input the information in the fields marked required.
3. You must enter a value or ‘0’ in all of the 75 fields of the Financial Performance.

Create Financial Performance

![Image showing financial performance fields and instructions]

You must complete all fields by entering a value or entering "0".
4. It is recommended that you regularly click the **Save** button to ensure you are not timed out of HITS. When you are satisfied that you have uploaded all information, select **Submit** to lodge your Financial Performance.

5. You will be navigated back to the Financial Performance List and you Financial Performance will have a status of **Submitted**.

**Notes**

1. You can submit your Financial Performance (FP) at any time however once it has been submitted, it is locked for editing purposes. For VET providers, you must contact the department via the online enquiry form under the Frequently Asked Questions section at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers) or for higher education providers, email [Fee-Help@education.gov.au](mailto:Fee-Help@education.gov.au) and request the FP be returned to draft, where the FP requires updating.

2. Please ensure you regularly select the ‘Save’ button whilst you are preparing your FP. This is due to HITS which will time you out of the system every 20 minutes, even where you are regularly updating your FP. If you fail to save and are logged out, you will lose any information that you added after you last ‘Saved’ your FP.

How to Update Financial Performance

A Financial Performance record can only be updated if it has a status of Draft. You can view the status of your Financial Performance from the Financial Performance list.

Instructions

1. From the Navigation menu select Organisation, Organisation Details from the Sub menu items to display the Organisation Details screen. Then select the Financial Performance tab to display the Financial Performance list screen.

2. Click the Edit button for the selected Financial Performance, the Edit Financial Performance screen will be displayed.

4. Click Submit.
5. The updates made to the Financial Performance will be saved, the Financial Performance will have a status of ‘Submitted’ and the Financial Performance list screen is displayed.

Notes

1. You will no longer be able to edit your Financial Performance once it has been submitted.
2. If your Financial Performance requires further editing, you must contact the department via the online enquiry form under the Frequently Asked Questions section at www.education.gov.au/information-vet-student-loans-approved-providers or for higher education providers, email Fee-Help@education.gov.au and request your FP status to be updated from ‘Submitted’ to ‘Draft’.
## Milestone – View/submit

<table>

<td>Can View/update and submit a milestone</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO</td>
</tr>
<tr>
<td></td>
<td>Can view a milestone only</td>
</tr>
</tbody>
</table>

There are two types of milestones that are generated by the Department:

- Recurring Milestone; and
- A one off Milestone.

An example of a **recurring milestone** would be submission of audited financial statements either ending 30 June or 31 December of each year. A **one off milestone** example would be the completion of the New Provider Information Pack for newly approved providers.

Applicants/Providers can action any milestones up to 3 months prior to the due date.

### Instructions

1. Click on **Organisation – View Organisation details** to view the Organisation Details screen.

2. Click on the **Upcoming Milestones** tab to view the **Upcoming Milestones** screen.

3. The Upcoming Milestones page has two sections, **Upcoming Milestones** and **Milestones**. The **Upcoming Milestones** section will display any milestone that requires action. The following fields are on this page:
   a. Due Date
      i. Is the date that the milestone must be actioned by
      ii. You can action this milestone up to 3 months before the due date
   b. Milestone Status
      i. Action Required – Action is outstanding on this milestone
      ii. Once you have actioned a milestone by submitting the milestone, the milestone will be removed from the Upcoming Milestones page. Please note that if the milestone is a recurring milestone, a new milestone will be added with a future date which is on the anniversary of the latest submitted milestone
c. Milestone Type
   i. Administration
   ii. Course
   iii. Financial
   iv. Organisational
   v. Personnel
   vi. Procedural

d. Milestone description
   i. A description of the milestone

4. To action a milestone click on the check box against the milestone you wish to action and select View details to view the Milestone details screen.

5. The Milestone details screen will display a short description and details on what is required to complete the milestone and also a link to upload documents via Upload document. It also displays the current status of the Milestone and in the example below, the status is Action Required.
6. Once you have completed all the requirements of the Milestone, you must check the box against the statement “The information requested has been provided”. Once the statement has been checked, the **Confirm** button will be enabled for you to select to submit the milestone back to the Department.

   ![Complete Milestone declaration](image)

   **Notes**

   1. Any documents uploaded against your organisation via a Milestone will not be submitted to the Department until the Milestone has been submitted.
   2. You can only action a milestone where the Due date is within 3 months of today’s date.

7. To view Milestones via the Milestone Filter, select the Milestone Type, Status and/or Year and the list will appear in the **Milestones** section. Check the box next to the Milestone and click on **View Details** if you wish to see further information.

   ![View Details](image)
Notifications

Notifications are used in HITS to notify certain user roles whenever an action is required or where an action has occurred. Notifications can either be in the form of a systems notification, email or can be a combination of the two.

There are three types of notifications

- Program Notifications;
- Action notifications; and
- Information notifications.

1. **Program Notifications**
Program Notifications are generated by the Department and are used to advise users of any issues that may impact on the HELP program, the System for Higher Ed, eSAM or HITS.

2. **Action Notifications**
Action notifications are notifications that require the organisation to undertake an action in HITS. The notification will specify what action is required.

3. **Information Notifications**
Information notifications are used to confirm an action has occurred.

Please see Attachment E for the complete breakdown of notifications.
Organisation details – Update details

<table>
<thead>
<tr>

</tr>
<tr>
<td>Provider View Only</td>
<td>PVO</td>
</tr>
</tbody>
</table>

Instructions
1. From the Navigation menu click on Organisation – View Organisation details, this will navigate you to the View Organisation details screen.
2. Scroll to the bottom of the screen and click on Edit button
3. You can update any field that is not ‘greyed’ out.

4. When validating your Head Office address, HITS will return the closest match. If this match is not your correct address, you can check the ‘Confirm this address is correct’ box to update your details with the details that you input.

5. After all details have been added/updated select the Save button.

**View of Organisational Details**

Once your organisation is registered and available in HITS you will be able to view your organisation’s details.

**Instructions**

1. From the Navigation menu click on **Organisation**, this will navigate you to the screen which will display all the sub menu options available under the Organisation menu.
2. Click on **Organisation details** to view the Organisation Details screen.

**Notes**

1. The main part of the screen displays your organisation information, TGA and/or TEQSA details and information about the type of organisation that you have provided.

2. The panels towards the bottom of the screen display Federal Register of Legislation (FRL) details and a list of applications that has been submitted by your organisation and their current status.

**VET Federal Register of Legislation**
3. Panels within the organisation details screen can be opened and closed by clicking on the arrow symbol.
Organisation details – Viewing VSL approved provider start, end and teach out dates

</table>
3. View the ‘Payment list’ box, if the status of the payment is ‘Paid’ then the payment has been cleared by the Reserve Bank of Australia.

![Payment details table]

**Notes**

1. If the status is Bank Rejected then you will need to update your bank account details.
2. A Payment record status will change in HITS when the finance system processes the payment and sends HITS an update for that payment record.
3. You will also receive a notification message after each monthly payment is processed.
Key Personnel – Adding a Key Personnel

<table>
<thead>
<tr>
<th>USER ROLES</th>
<th>ACCESS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Provider Corporate Officer</td>
<td>CEO Full access to add Key Personnel information</td>
</tr>
<tr>
<td>Provider Senior Officer</td>
<td>SAO Full access to add Key Personnel information</td>

<td>PFO No access to this module</td>
</tr>
<tr>
<td>Provider Editing Officer</td>
<td>PEO No access to this module</td>
</tr>
<tr>
<td>Provider View Only</td>
<td>PVO No access to this module</td>
</tr>
</tbody>
</table>

Information that is required to be inputted into this component is considered sensitive. To add/update or view the information you must have a senior user role of SAO or CEO. You must also be a senior officer within your organisation such as a Chief Executive Officer or Company Secretary as you have legal obligations under the Privacy and Criminal acts that you cannot delegate to another person.

Instructions

1. From the Navigation menu, click on Organisation, this will navigate you to the screen which will display all the sub menu options available under the Organisation menu. Click on Organisation details to view the Organisation Details screen.

2. Go to the Key Personnel tab and click; the Key Personnel list screen will be displayed.

3. Click the Add Key Personnel button.
4. There are 4 parts to the Key Personnel section that you must complete before you can save the update.

a. Part 1 – Personnel Information

b. Part 2 – Residential address

c. Part 3 – Postal address

d. Part 4 – Declaration. This section can only be completed by a senior person within your organisation who has been assigned SAO or CEO user role. It MUST NOT be completed by a junior officer who has been assigned SAO role. Once you have completed all fields, select the SAVE button.
5. You will be navigated back to the Key Personnel List screen where a notification message will be displayed to confirm the person was created successfully.

6. A check will also appear against Key Personnel requirement to acknowledge that the minimum requirement of one Key Personnel has been added successfully. If you need to add more Key Personnel, repeat above steps.
7. After you have added all Key Personnel details, you must complete the statement, upload all relevant documents, enter comments if required and click Save.

8. Enter details regarding Contingency Funding and then select Save.

9. Once you have completed all the fields, the Mandatory Key Personnel Summary screen will no longer display.

Notes

1. If you are an applicant and you create a CEO or SAO contact, HITS will automatically create a Key Personnel record using some of the information from the Contacts screen. You must update these Key Personnel records further information is required.
2. Required fields are indicated with the word required in red text next to the field name.
3. Completing the field “Date no longer a Key Personnel” will inactivate that record.
4. The Statement and Contingency Funding panels on the Key Personnel list screen must be reviewed and updated where appropriate after adding new Key Personnel record(s).

</table>

Updating a Key Personnel’s details
From time to time you may be required to update existing key personnel information for your Organisation. To update existing information please follow the steps outlined below.

Instructions
1. Log into HITS with your assigned User ID and personal password. From the Navigation menu, click on Organisation, this will navigate you to the screen which will display all the sub menu options available under the Organisation menu. Click on Organisation details to view the Organisation Details screen.
2. Go to the Key Personnel tab and click; the Key Personnel list screen will be displayed.
3. From the Key Personnel list, find the one you would like to update and click the Edit hyperlink.
4. Update the relevant fields and click Save.
5. You will be navigated back to the Key Personnel list. If there is more than one existing Key Personnel whose details need to be updated repeat above steps.

Notes
1. Required fields are indicated with the word required in red next to the field name.
2. Completing the field “Date no longer a Key Personnel” will inactivate that record.
3. The Statement and Contingency Funding panels on the Key Personnel list screen may need to be reviewed or updated after editing a Key Personnel record.
4. Panels within the Key Personnel list screen can be opened and closed by clicking the arrow symbol.
Publications – Creating a publication request

<table>

</tr>
</tbody>
</table>

Creating a Publication Request

To create a HELP Publication Request for your Organisation log into HITS with your assigned User ID and personal password.

Instructions

From the Navigation menu go to Publications and select Publication Request from the sub menu items;

1. Input the information in the fields marked required.
2. Go to Select Publication and choose the HELP Publication from the drop down list.
3. Enter the Amount Requested and select Add/Update. Your requested publication will appear in the Publications Request list.
4. If you are requesting multiple HELP Publications, complete steps 2 and 3 above and add to your list.
5. When all the publications for the Provider Request appear in the **Publication Requests list** click the **Submit**. The Publication Request is now complete.

### Notes

1. Only one active publication request can be submitted to the Department and must be approved/rejected by the Department before another publication request can be submitted.
2. If you wish to split a publication request over two campuses, please make sure you provide details in the delivery details section.
3. Note – VSL publications are available electronically. Printed versions of the student booklet are not available for request. The student application form is electronic only (eCAF). Queries regarding VSL publications should be directed to the department using the online form at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers).
4. If your organisation has multiple campuses and you wish to make multiple publications requests at the same time, you must contact the department via the online enquiry form under the Frequently Asked Questions section at [www.education.gov.au/information-vet-student-loans-approved-providers](http://www.education.gov.au/information-vet-student-loans-approved-providers) or Fee-Help@education.gov.au providing all the details as per the online publication request. The Department will then create individual publication requests on your behalf.
5. Your organisation name and ID will be prepopulated on entry to the screen.
6. A Notification message appears when an application is submitted to the Department.

**Withdrawning a Publication Request**

If a HELP Publication Request has been submitted to the Department but has not been approved or rejected, you may withdraw the publication.

From the Navigation menu go to Publications and select Request Publications from the sub menu items; this will display the Publications Request screen.

**Instructions**

1. The publication request you previously submitted is displayed.
2. Click **Withdraw**.
3. A confirmation message will be displayed.

Available Reports

There are currently several reports available in HITS for approved providers (note, some VSL reports are in progress).

**Payment Reconciliation Report**

This report compares data from the Higher Education Internet Management System (HEIMS) and HITS Advance payments in order to reconcile advance payments with actual student load liability reported by you.

**Provider Cash flow**

Displays a list of all finalised payments and any additional debt recovery payments by date each payment was processed.

**Provider Payment Report**

Displays all eligible and ineligible payment data for records with census dates within the selected month.

**Provider Payment Schedule Report**

This report displays financial information regarding the current payment schedule for calendar year that payments have been made to your organisation.

**Provider Statement of Account**

This report displays the details of all Finalised Payments and recoveries for a selected data range and summarised by calendar years.

**Viewing Reports**

From the Navigation menu go to Reports, you will be navigated to the Reports screen which will display a list of Report Categories.

The reports you can view in HITS are based on your user role and can be selected by clicking on the Hyperlink under each Category.
Instructions

1. Select the required report from the list of available reports.

   **Reports**

   To run a report, please click on the report title.

   **Financial**

   - **Payment Reconciliation**
     This report will compare data from HEVTS and HT’s Payment Schedule in order to reconcile Payment Schedules.

   - **Provider Cashflow**
     This report lists all finalised payments or recoveries with a due date in a specified date range.

   - **Provider Payment Report**
     Display the payment data for the selected payment date and provider.

   - **Provider Payment Schedule**
     This report will display information about the current Payment Schedule for a calendar year.

   - **Provider Statement of Account**
     This report will display the details of all Finalised Payments and Recoveries for a selected date range and summarised by calendar years.

2. **Payment Reconciliation report.** Providers can select the Sector and Calendar Year to view all payments including offsets, adjustments and overpayment recoveries processed in that year. The report can be exported to one of the following:
   a. XML file with report data
   b. CSV (comma delimited)
   c. Acrobat (PDF) file
   d. MHTML (web archive)
   e. Excel
   f. TIFF file
   g. Word.

3. **Provider Payment Report (VET Only).** Providers will be able to select and view eligible and ineligible payment data reported by your organisation. All reported records with census dates falling within the selected month (using the ‘Payment Date’ selector) will be displayed. Providers can also export the report to the following:
   a. XML file with report data
   b. CSV (comma delimited)
   c. Acrobat (PDF) file
   d. MHTML (web archive)
   e. Excel
   f. TIFF file
   g. Word.
4. Three worksheets will be available – Reported Data Summary, Reported Data, Excluded Data

5. **Provider Payment Schedule.** Providers will be able to select the final payment schedule for each calendar year in which they received a payment.

6. The report will display all payments processed and any advance payments left in the Calendar year that are yet to be paid.
7. **Provider Statement of Account Report.** Providers can select the Payment Year From and Payment Year To to view the monthly finalised payments and recoveries within the selected year. The report can be exported to one of the following:

a. XML file with report data  
b. CSV (comma delimited)  
c. Acrobat (PDF) file  
d. MHTML (web archive)  
e. Excel  
f. TIFF file  
g. Word.

Viewing a Request for Further Information

If your organisation has an RFI in the status of ‘Issued’ or ‘Lodged’ in HITS, you will be able to view an RFI for your organisation.

Instructions

1. From the Navigation menu click on Application, this will navigate you to the screen which will display all the sub menu options available under the Application menu. Click on RFI List to view the RFI list screen.

2. On the RFI list screen, you will see a table, which will list all the current or past RFIs against the current sector application for your organisation. You are now ready to view an RFI.

3. Go to the <sector> RFI list.
4. Select the RFI record from the list by selecting the check box against the record and the View details button will be enabled.
5. Click on **View details** and the system will navigate you to the **View RFI details** screen.
Request for further information – Lodging an RFI

NB – RFI is relevant only to FEE-HELP applications.

If your organisation has an application in the status of ‘Awaiting Further Information’ and an RFI in the status of ‘Issued’, in HITS you will be able to lodge an RFI for your organisation.

Instructions
1. From the Navigation menu click on Application, this will navigate you to the screen which will display all the sub menu options available under the Application menu. Click on RFI List to view the RFI list screen.

2. On the RFI list screen, you will see a table, which will list all the current or past RFIs created, raised or lodged against the current sector application for your Organisation. You are now ready to lodge an RFI.
3. Go to the <sector> RFI list.
4. Select the RFI with the status of ‘Issued’ by selecting the check box against the record and the View details button will be enabled.
5. Click **View details** to navigate to the **View RFI details** screen.
6. Scroll to the bottom of the screen; System displays the **Upload Document** button.
7. Click **Upload Document** to upload the requested documentation as part of an RFI.

![View RFI details](image)

8. Once the documents have been uploaded successfully, navigate back to **View RFI details screen** by following the steps 1 to 3.
9. Scroll to the bottom of the screen; System displays the confirmation check box ‘**I confirm that the requested information for the RFI has been provided**’.
10. Select the check box; system will enable the **Lodge** button at the bottom right of the screen.

![Upload document button](image)

11. Click **Lodge**. The system will then generate a confirmation message box with an option of ‘Yes’ or ‘No’.
12. Click **Yes** to lodge the RFI.
13. If successful, the system will navigate you to the **RFI list** screen and display a confirmation message that the RFI has been successfully lodged.
Notes

1. The confirmation check box needs to be ticked before the RFI can be lodged.
2. On successful lodgement, status of the application will change to ‘To be assessed’.
3. On successful lodgement, status of the RFI will change to ‘Lodged’.
4. A Notification message will display 3 days prior to the date your RFI is due:

<table>
<thead>
<tr>
<th>Message Title</th>

VSL – VET Student Loans
VSLB – VET Student Loans Branch
Information

Apple Mac Users
The Department does not support Apple Mac. All applicants/providers must use Microsoft Windows.

System for Higher Ed (HITS) URL
The System for Higher Ed URL contains an embedded anti-phishing rule that prevents hackers from ‘following’ your login to HITS that times out the URL once it has been used to log into the System for Higher Ed. The anti-phishing rule times the URL link out for 30 minutes which means that if used within that time, you will either receive an error message or you will be required to enter your password a number of times before you can log in. Please follow the directions in Attachment A to set up the URL link as a favourite.

Tertiary Education Quality & Standards Agency (TEQSA)
The Department sources organisation details and course information from TEQSA similar to what is sourced from TGA. TEQSA data is updated in HITS once per month.

Training.gov.au (TGA)
HITS has a web services interface with TGA and sources all organisation and course information for VET applicants and Providers.

Web Browsers
HITS is only compatible with Internet Explorer 11. If you use Google Chrome for example, you will not be able to reset your password or update any field where a date is required such as the date of birth field. Google Chrome and Mozilla Firefox use an American date format ie MM/DD/YYYY which is incompatible with HITS.
Attachments

Attachment A – HELP IT System (HITS) URL
THE HITS URL as an embedded anti-phishing rule that times the URL out after it is first used. If you have already used the URL to log into HITS, you cannot use the URL again otherwise you will receive the following error.

If you do use the URL without it being refreshed, you may receive one of the following errors.

www.deewr.gov.au

There was a problem accessing the site. Try to browse to the site again.
If the problem persists, contact the administrator of this site and provide the reference number to identify the problem.

MSIS7001: The passive protocol context was not found or not valid. If the context was stored in cookies, the cookies that were presented by the client were not valid. Ensure that the client browser is configured to accept cookies from this website and retry this request.

Reference number: 0b4a91f6-6477-4ec0-ab56-6c9a81e2db76

The page cannot be displayed

Explanation: There is a problem with the page you are trying to reach and it cannot be displayed.

Try the following:

- **Refresh page**: Search for the page again by clicking the Refresh button. The timeout may have occurred due to Internet congestion.
- **Check spelling**: Check that you typed the Web page address correctly. The address may have been mistyped.
- **Access from a link**: If there is a link to the page you are looking for, such as on the department’s website or in your bookmarks or favourites, try accessing the page from that link.

Technical Information (for support personnel)

- Error Code: 403 Forbidden. The server denied the specified Uniform Resource Locator (URL). Contact the server administrator. (12202)
To avoid receiving any of the above errors, please follow the steps below:

**Step 1:** Open your web browser – please note that you must use only Internet Explorer 11 as your web browser to access HITS as other browsers are not compatible.

**Step 2:** Copy the URL link below and paste it into your web browser – do not double click on the URL link to open it

https://extranet.education.gov.au/FrontDoor/

**Step 3:** Once the eSAM log in page is displayed, enter your Username and Password and then select the ‘Sign In’ button. You will be navigated to the ‘Welcome to the System for Higher Ed’ ‘HELP IT System’ page and https://extranet.education.gov.au/FrontDoor/Bulletin will display in your address bar.

**Step 4:** Save this URL address as your bookmark/favourite and whenever you wish to log into HITS, open a new web browser and use your bookmark/favourite to log in.

Note: If you still experience an error, you should clear your browsing history, close your web browser then commence the above steps again.
Attachment B – Application status Diagram

The following diagram details how an application progresses through each application status from ‘Draft’ through to ‘Approved’/’not approved’. NB ‘RFI’ is relevant only to FEE-HELP applications.
Department Information, Communications and Technology (ICT) Systems – User Security Declaration

I, ........................................................................................................................ [insert full first name/s and surname]
of.......................................................................................................................... [insert full home address]

I acknowledge that I have been provided access to the Department Information, Communications and Technology (ICT) Systems for the purpose of administering Commonwealth Government programs and have the following obligations:

- I will only access Department ICT Systems for which I have authorisation and for purposes which are relevant to my work.
- I am solely responsible for all action taken on the Department ICT Systems under my UserID.
- I will maintain the integrity of access to these Systems including, but not limited to:
  a) not sharing my UserID, nor using another person’s UserID; and
  b) ensuring the safekeeping and confidentiality of my password.
- I will not illegally access Department ICT Systems, download or distribute inappropriate, undesirable or offensive material.
- I will not use Department ICT systems to violate copyright or infringe the intellectual property of software and the integrity of systems configurations and software.
- I will identify and avoid conflicts of interest. Where there is a perceived or actual conflict of interest I will notify my supervisor or manager and follow appropriate advice before accessing Department ICT Systems.

I understand that:

- The Department will use my personal information to monitor my use of Department ICT Systems as part of managing and administering the ICT systems, protecting against unauthorised access, verifying security problems and ensuring compliance with policies.
- I may be required to consent to a criminal history check conducted by the Australian Federal Police.
- I must report all suspected breaches of the Department’s ICT Systems to Department IT Security.
- My access may be suspended immediately without notice where it is suspected or alleged that there has been inappropriate usage of data, records and information and/or where the obligations outlined above have not been met. The Department reserves the right to deny future requests for access to the Department’s ICT systems.
- It is a criminal offence to provide false or misleading information, or to access or modify restricted data. This includes unauthorised access to, or modification of, restricted data by a person, which is an offence under section 478.1 of the Criminal Code Act 1995 and punishable by 2 years imprisonment. Unauthorised access to the Department’s ICT systems or providing false or misleading information may result in criminal and/or civil action being taken against me.
- It is a criminal offence for a Commonwealth officer to publish or communicate information obtained from the Department’s ICT systems. Disclosure of information by Commonwealth officers is an offence under section 70 of the Crimes Act 1914 and is punishable by 2 years imprisonment. Disclosure of information obtained from the Department’s ICT systems may result in a criminal or civil action being taken against me.

Conflict of Interest
The onus is on you to be alert and identify any actual or potential conflict of interest, financial or otherwise.

A conflict of interest is defined as a situation where a staff member has, or could be perceived as having, a personal interest in a matter that is the subject of a decision or duty of the staff member.

A personal interest includes, but is not limited to, a direct or indirect, past, current or planned future financial, management, organisational membership or any other interest by the staff member or by a business associate, family member or friend of the staff member.

---

4 This includes all data on Department’s systems that you are not authorised to access or modify
Your employer should refer you to an internal policy in relation to responding to conflict of interest situations.

**Certification**

I certify that:

- ☐ I will be listed as a Contact in the HITS Contact List

**Privacy Notice**

The Department is collecting this information for the purposes of verifying your identity to determine whether access is provided to the Department’s ICT systems.

The Department may use this information for the purposes of managing and administering ICT systems, protecting against unauthorised access, verifying security problems and ensuring compliance with policy.

The Department will not disclose this information unless it is required or authorised by or under law. Alternatively the Department may seek your consent to disclose this information.

<table>
